Dear Dad,

I was awfully glad to hear from you. I am certainly pleased that they are holding the job for me at the Home Lawn. I leave here June 11, I think. It depends on the way I come home, how soon I'll get there. I suppose I can start right away with the work.

I certainly would like to play some golf this summer. It has been almost two years since I played last, so I'll probably have to learn over again. If I can borrow some clubs I may be able to practice some here.

I had a physical exam yesterday and they did not seem to be able to find anything wrong with me! My haemoglobin is 85%, which is better than most of the girls.

I think Robert had a dandy time when he was here. I have not heard from him since. He is probably getting caught up with his work.

Everyone has gone on the corridor, and it seems so strange. There is usually a lot of noise around. I like it this way for a change.

April 28.

It's nearly time for me to buy my cap and gown! I am going to get a new second hand one from a girl who is just my size. She hasn't told me yet how much it is going to be. I can't realize I am nearly a senior.

I am beginning to count the days until I get home. Before that time I have enough work to keep ~~two~~ people busy.

I'll write mother soon.

With love,

Grace
